STATEMENT OF RELEVANCY

References AO (JP 2000-125293) and AP (JP 2000-125294) on Form PTO 1449 are discussed in the specification.

These two references fail to teach or suggest code conversion which rewrites only header information within the codes so as to change a decoded state of input codes which have been compressed and transformed, and outputs the code including rewritten header information to a target object.
